

Consent to Use of Personal Information

Private career colleges (PCCs) must be registered under the *Private Career Colleges Act, 2005*, which is administered by the Superintendent of Private Career Colleges. The Act protects students by requiring PCCs to follow specific rules on, for example, fee refunds, training completions if the PCC closes, qualifications of instructors, access to transcripts and advertising. It also requires PCCs to publish and meet certain performance standards, e.g., percentage of graduates who obtain employment. This information may be used by other students when they are deciding where to obtain their training. The consent set out below will help the Superintendent to ensure that current and future students receive the protection provided by the Act.
